

International Group for Mathematical Creativity and Giftedness (MCG)

Membership Application Form

After the first conference on Creativity in Mathematics Education in 1999 in Muenster and follow up conferences in Riga (Latvia), Ruse (Bulgaria), Ceske Budejovice (Czech Republic), and Haifa (Israel) the *International Group for Mathematical Creativity and Giftedness* was established on 4 August 2010 in Riga.

There is an Establishing Document to describe the goals of the Group (Mission and Aims) and the organization of the Group. Membership is open to persons involved in active research in furtherance of the Group's aims, or who are professionally interested in the results of such research. For more details see the website of the Group: <http://www.igmcg.org/>

To apply for membership please send this form to the

MCG Secretary
Emiliya Velikova
University of Ruse

Please use the email address:
evelikova@uni-ruse.bg

Candidate:

Family Name:	_____
Given Name(s):	_____
Email:	_____
Institution:	_____
City, State and Country:	_____

It is planned to publish a membership list on the website of the Group. Please indicate:

- I agree to have my family name, given name(s), and country on the website
- I also agree to have a coded version of my email address on the website:
Instead of aaaaa@bbbb.xy the coded version [aaaaa\(at\)bbbb.xy](mailto:aaaaa(at)bbbb.xy) will be used.
- I do **not agree** to putting my email address or a coded version of my email address onto the website.
- I do **not agree** to putting my family name and given name(s) onto the website.
